**DECLARATION OF OSKAR MAGNUSSON**

1. I, Oskar Magnusson, make this declaration based on my personal knowledge, and if called to testify, could and would testify hereto.

2. I am currently the Business Director for Asia Pacific at Andrew Corporation and have worked on standardization issues since about January 2003. During the course of my standards work, I have attended 3GPP and ETSI meetings and am familiar with their practices and documentation, including their websites and the documentation that is located on those websites.

3. Attached as Exhibit A is a true and correct copy of a 19 October 2007 letter from the Director General of ETSI to Ms Terri Brooks of TruePosition, Inc, c/o Rob Anderson. I received a copy of this letter from ETSI in October 2007, shortly after the 19 October date on the letter.

4. Attached as Exhibit B is a true and correct copy of a document titled "ETSI/GA50 decisions/actions" from the ETSI 50th General Assembly meeting held in Nice, France on 27-28 November 2007. This document is available online to all ETSI members at the following URL: [http://portal.etsi.org/docbox/ga/ga50/ga50\\_decisions.doc](http://portal.etsi.org/docbox/ga/ga50/ga50_decisions.doc) I downloaded this document on 17 December 2007. Based on my experience as a standards representative and attending standards meetings in 3GPP and ETSI, it is the regular practice of ETSI to document the decisions and actions taken in its General Assembly meetings, and to make the documentation available to ETSI members online in the regular course of business. As is indicated on the document itself, the GA Secretary prepares and records such documentation, and does so at or near the time of the meeting.

**I declare under penalty of perjury that to the best of my knowledge, the foregoing is true and correct.**
